Dear Pastor/Professor,

SRL Seminary's Board of Trustees is looking for qualified pastors and professors to teach one week at any of SRL's 23 sites across Latin America and the United States. Your teaching will be in English with simultaneous translation. The site leader might also ask you to preach at the local church on the Lord's Day.

The main objective of SRL is to provide high quality theological education to natives in order to flood Latin America with well-trained, reformed pastors who will labor for church reformation under the Doctrines of Grace. SRL has been deemed the XVI Century Geneva Academy of the XXI Century Reformation in Latin America.

Aware of the tendency for liberal doctrines to creep in, SRL is committed to protecting the purity of the Reformed doctrines by carefully vetting the professors. All professors must adhere to the SRL doctrinal position, which includes the Westminster Confession of Faith or the London Confession of 1689, the historical Doctrines of Grace (namely, TULIP, the SOLAS of the Reformation), the sovereignty of God, the ceasing of tongues, new prophecies, and other means of special revelation beyond Sola Scriptura.

SRL operates on a very small budget. That is why short-term missionary professors have become the heart of this mission. Professors donate one week to teach at a seminary site, raising their own funds from their churches and friends. The average travel expense is between \$600.00 and \$1,000.00. In this way, SRL has been able to expand the seminary to 20 cities in nine countries. God has graciously sustained this ministry for 20 years! Although SRL cannot pay for professors' airfare and traveling expenses, in some cases SRL will provide lodging. Food and land transportation are always provided.

Please send the following information by e-mail:

- a. Your *Curriculum Vitae*
- b. A high quality .jpg picture and permission to use your picture and video lessons on the web and online education
- c. Your statement of faith
- d. Courses that you would like to teach

Kindly share this teaching opportunity with other pastors and churches. After 20 years of SRL labors, there are now hundreds of reformed churches already on the field that will welcome your mission teams through SRL.

Please let me know if you received this letter and/or if you would like more information. We would be happy to create a short presentation about this mission for your local church. Please also see the SRL brochure.

Sincerely in Christ,

Dr. Noé S. Acosta, SRL President
