REPORT ON SRL DIRECTORS' RETREAT IN JANUARY 2018

Directors and representatives of SRL campus sites came from various countries to Medellin to give a report and exchange goals and expectations. The administration and representatives of the board of directors outlined policies and procedures regarding every aspect of SRL operations from academics to spiritual standards, including finances, conduct, Christian behavior and ethics. The themes dominating the retreat were: 1) maintaining high standards and 2) faithfulness to the proper equipping of the saints for the proclamation and expansion of the doctrines of grace. *And the things that you have heard of me among many witnesses, the same commit you to faithful men, who shall be able to teach others.* 2 Tim: 2:2

FROM A DOG TO A CHILD OF GOD – MIRACLE IN PANAMA

On our way to the retreat in Colombia, our team, consisting of Michael Delarm, Ken Bruce and myself, stopped in Panama. When our taxi driver discovered that we were missionaries, he became angry and commanded us not to speak to him about God. “There is no heaven or hell. When we die we will be buried as dogs and that is all!” I asked him to tell us about his family. He spoke with enthusiasm of his sons, especially the youngest, an excellent soccer player. I asked him if he really believed his precious son would die like a dog. Begging him not to remove us from his taxi, I expressed that if he did not want to know the way to eternal happiness to share with his son, then that would be a great demonstration of hatred towards his son. He looked at me with a mix of anger and curiosity, and roughly asked, “What is that way?” I began to present the way to heaven, but there was not sufficient time because we arrived to the church where people were waiting for us to teach a conference. We told him that he was welcome to stay and listen to the rest of the story. He parked his taxi and listened to the gospel for three hours. God rescued him. He took us back to the hotel full of joy and asked, “What could prevent me from going to church with my family?” For the last three Sundays he is attending church, is reading his bible and often texts me to thank us for showing him the way to God. May God continue to bless this man and be glorified by his rebirth.

2018 NEW SRL CLASS IN MEDELLIN

By the mercy of God, this year we have the greatest variety of countries represented in the seminary. Please pray that these men will influence the reformation in their countries and start new centers and churches. We welcome this part of 2018 class to the Spiritual Reformed Boot Camp(us) of Medellin.

WELCOME TO NEW SRL DIRECTOR OF OPERATIONS AND DEVELOPMENT

God has blessed SRL with Mrs. Ellen Hamilton who, after visiting South America and meeting with all SRL Centers' Directors and staff, has agreed to be part of the administration and further development of this ministry. Mrs. Hamilton is a member of St. Andrew's Chapel and professor of music at Rollins College.
